Spend

ATM Withdrawals	Withdrawals up to €200 per month are free. Anything over the above limits is charged at 2% of value of ATM Withdrawal.
-----------------	--

Send

Transfers to other Revolut Users	Free
----------------------------------	------

Payments to Bank Accounts outside the Revolut App

We'll let you know in the Revolut app if any charges apply, before you make the transfer.

Exchange

Whenever you make a currency exchange in the Revolut app, we'll use an exchange rate based on our market rate, which is based on foreign-exchange market rates. There is more information about our exchange rate in our [Personal Terms](#).

For certain conversions we apply an extra percentage-based fee, which may change according to when and how frequently the currencies are traded. These fees are set out in the table below.

Different fees apply for high-frequency standard customers. A high-frequency standard customer is someone who:

- is a standard customer (not a premium or metal user); and
- has exchanged £5,000 (or the equivalent in a different currency) in any rolling month.

We charge a higher fee outside foreign-exchange-market hours because less currency is traded during these times. Foreign-exchange-market hours are all hours except Saturday (UK time) and midnight on a Monday (UK time) (or in Vilnius time, between 2am Saturday and 2am Monday).

Fees during foreign exchange market hours

Regular customers

High-frequency standard customers

THB and UAH	1.0%	1.5%
-------------	------	------

USD, GBP, EUR, AUD, CAD, NZD, CHF, JPY, SEK, HKD, NOK, SGD, DKK, PLN and CZK	No fee	0.5%
---	--------	------

Any other currency not listed above	No fee	0.5%
--	--------	------

Fees outside foreign exchange market hours

	Regular customers	High-frequency standard customers
THB and UAH	2.0%	2.5%

USD, GBP, EUR, AUD, CAD, NZD, CHF, JPY, SEK, HKD, NOK, SGD, DKK, PLN and CZK	0.5%	1.0%
---	------	------

Any other currency not listed above	1.0%	1.5%
--	------	------

The highest rate relevant to your conversion will apply. For example, for a conversion between USD and THB during foreign exchange market hours, we will apply the mark-up that applies to THB (1%), not the mark-up for USD (0%).
