ATM Withdrawals up to 400 € or currency equivalent per month are free. Anything over the above limits is charged at 2% of value of ATM Withdrawal.

Send

Transfers to other Revolut Users

Free

Payments to Bank Accounts outside the Revolut App

We'll let you know in the Revolut app if any charges apply, before you make the transfer.

Exchange

Whenever you make a currency exchange in the Revolut app, we'll use an exchange rate based on our market rate, which is based on foreign-exchange market rates. There is more information about our exchange rate in our [Personal Terms](#).

For certain conversions we apply an extra percentage-based fee, which may change according to when and how frequently the currencies are traded. These fees are set out in the table below.

Different fees apply for high-frequency standard customers. A high-frequency standard customer is someone who:

- is a standard customer (not a premium or metal user); and
- has exchanged £5,000 (or the equivalent in a different currency) in any rolling month.

We charge a higher fee outside foreign-exchange-market hours because less currency is traded during these times. Foreign-exchange-market hours are all hours except Saturday (UK time) and midnight on a Monday (UK time) (or in Vilnius time, between 2am Saturday and 2am Monday).

Fees during foreign exchange market hours

Regular customers

THB and UAH	1.0%
-------------	------

USD, GBP, EUR, AUD, CAD, NZD, CHF, JPY, SEK, HKD, NOK, SGD, DKK, PLN and CZK	No fee
--	--------

Any other currency not listed above	No fee
-------------------------------------	--------

Fees outside foreign exchange market hours

Regular customers

THB and UAH	2.0%
-------------	------

USD, GBP, EUR, AUD, CAD, NZD, CHF, JPY, SEK, HKD, NOK, SGD, DKK, PLN and CZK	0.5%
--	------

Any other currency not listed above	1.0%
-------------------------------------	------

The highest rate relevant to your conversion will apply. For example, for a conversion between USD and THB during foreign exchange market hours, we will apply the mark-up that applies to THB (1%), not the mark-up for USD (0%).
